
A lasting memorial has been given to

Good Samaritan Church

in memory of

Dr. Joyce G. Anderson

August 17, 1936—November 9, 2012

Joyce was a Licensed Consulting Psychologist, PH.D, RN, Phi Beta Kappa at the University of Minnesota. She was also an accomplished pianist, and a member of the Good Samaritan Chancel Choir, and had published choral music. She was active with the Walker Art Center, and an animal lover.

Joyce was passionately inquisitive, and had a quick sharp wit and had a strong sense of what is right and wrong. She fought for what she felt would make the world a better place. Her philosophy in life was *“With every situation you find yourself in, you try to make it better. Not that you expect perfection, but this makes the world a better place.”*

She believed that all persons have creative energy to be developed, encouraged and enjoyed. She felt that Music Education provides a foundation for experiencing the most dynamic and universally understood form of art.
