## Good Samaritan Church

in memory of

*Barbara Ann Millner*

*November 14, 1927—Duluth MN*

*January 8, 2012—Edina MN*

Barbara Millner grew up in Duluth and graduated from Central High School. She received her BA in Music and Education from the University of Minnesota, Duluth. She taught high school music in Grand Rapids, where she met her husband, Bob, who was recently back from the war. They were married for 48 years.

Living “up north” she ventured into the world of hunting and fishing with Bob and bagged her own deer more than once. They lived in Minnesota and Richmond, TX, then returned to Minnesota. She was an avid “garage-saler” and enjoyed refurbishing what she found.

Barb was a longtime member of Good Samaritan where she was active in United Methodist Women and the church choir. She was the church’s choir director for many years and co-founded the Good Samaritan Singers in 1974 and was their director for 19 years.

She loved Orchestra Hall concerts, productions at the Guthrie, and she enjoyed many trips with Bob and their friends to the north country that she loved. Barb was known for her enthusiasm and great love of music, and teaching others to love it as well.
