

A lasting memorial has been given to

## Good Samaritan Church

in memory of

*Lee H. Prewitt*

*April 23, 1945—Ottumwa IA  
December 30, 2007—Edina MN*

*He taught us the meaning of hope, courage, and love, and how to laugh hard*

Lee was born and raised a Methodist and a Hawkeye. He was educated at Cornell College and the University of Iowa School of Medicine, where he met and married a nurse named Cindy. They ultimately settled in Minnesota, where he began his 31 year career at Minneapolis Children's Hospitals and Clinics.

Lee lived his life fully and passionately, immersing himself in whatever endeavor it was: swimming, golfing, scuba diving, skiing, autocross, motorcycling, cheering for those Hawkeyes, barbequing and enjoying good food with friends, or sitting quietly with a cigar and a good book.

His greatest energies were given to the children he cared for and his own precious family, daughter Jenna and son Bryce. Their gymnastic meets and hockey games were missed only when an ill child was in need.

His determined battle with cancer was lost, but what will forever be remembered is his compassion, his drive for personal excellence, and a love of life, music and most of all his family.
