

Appalachia Service Project (ASP) 2020 Registration Form

Registering for ASP 2020: Saturday, June 13, 4:55am – Sunday June 21, 11:30am

Please read the attached list of ASP Expectations. Then complete and return this form to the church office by Sunday, January 12, 2020. To secure your spot on the trip (or a spot on the waiting list if the trip is full), include a check for \$50 (refundable only if you are replaced on the trip roster by someone on the waiting list) made out to "Good Samaritan ASP". Keep the attached list of ASP Expectations for your reference.

Name: _____

Address: _____

College Fr So Jr Sr

College students: When will you be home at the end of the semester? _____

Have you been to ASP before? Y N

ASP 2020 Covenant

I have read and understand and will honor the ASP Expectations of me as an ASP participant or parent of an ASP participant.

Signature of ASP participant _____ Date: _____

Signature of parent* _____ Date: _____

*Parent signature is required for all youth who are either in high school or under age 18.

ASP Expectations

1. ASP takes a great deal of work and dedication in preparing for the trip as well as participating in the week of service. Everyone is expected to participate fully as a member of the Good Samaritan team.
 - Prior to the trip this means attending all ASP functions, participating in all fundraisers, assisting in the planning of ASP, and communicating to ASP leaders about conflicts and status. If you choose not to participate in the events (meetings, fundraisers, etc.) in preparation for the trip, this will be taken as your statement that you are not interested in going and your spot on the trip will be forfeited.
 - On the trip this means working full days, doing chores, being present at all group and program gatherings, and being a team player with a positive, constructive attitude.
2. ASP veterans are expected to take on greater responsibilities from year to year. This applies both to older youth/college students and to adults.
3. Participants are expected to read all communication about ASP and upcoming events thoroughly and reply promptly if requested.
4. Participants are expected to observe appropriate behavior for a church mission trip. This includes the bus trip, the bus stops, and all time spent at ASP.
5. Participants are expected to show respect for our group members, the ASP center staff, the families we work for, the communities we visit, and all others we come into contact with on the trip.
6. Participants are expected to comply with ASP and Good Samaritan rules, including safety, work attire, and respect for all property and equipment.
7. There is no tolerance for sexual harassment or bullying.
8. There is no tolerance for drugs, alcohol, or other illegal substances. Possession or illegal behavior will result in being sent home from ASP at the participant's expense. Suspicion of possession while on the trip may result in inspection of personal gear.
9. Participants who are taking prescribed medications or have conditions that require monitoring are expected to communicate these prescriptions and conditions to ASP leaders. Work crew leaders are expected to be familiar with such requirements for all persons on their crew.
10. Immunizations – Up-to-date immunization for tetanus is required for all participants. Hepatitis A immunization is strongly recommended. Plan ahead because Hepatitis A requires two shots 6 months apart.

Please keep this list of expectations for your reference.
