Appalachia Service Project Info Night Wednesday, October 23 at 6:30 pm 2025 will mark Good Samaritan's 44th year of participation in ASP. Since COVID, the number of ASP volunteers has decreased, but the need in Appalachia has not diminished and neither has our commitment to serving the wonderful people of this area. We welcome youth who have completed 8th grade on up, college students/young adults, and any other interested older adults. Church membership is not a requirement. Neither is construction experience. Gather friends and family and join us as we repair homes, build hope, and develop relationships. If interested, please email jan@good.org with your name and email address so we can add you to our mailing list. 2025 summer dates TBD
